To the Members of the Board of Directors:

We are pleased to confirm our understanding of the services we are to provide for Rangeview Metropolitan District (District) for the year ended December 31, 2023.

Audit Scope and Objectives

We will audit the financial statements of the governmental activities and the major fund, including the disclosures, which collectively comprise the basic financial statements of Rangeview Metropolitan District as of and for the year ended December 31, 2023.

Management has elected to omit the management's discussion and analysis that accounting principles generally accepted in the United States of America (GAAP) require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

The objectives of our audit are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; issue an auditor's report that includes our opinion about whether your financial statements are fairly presented, in all material respects, in conformity with GAAP; and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America (GAAS) will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements

We will conduct our audit in accordance with GAAS and will include tests of your accounting records and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

November 2, 2023 Page 2 of 5

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the government's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of receivables and certain assets and liabilities by correspondence with selected customers, creditors, and financial institutions. We will also request written representations from your attorneys as part of the engagement.

We may, from time to time and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

Our audit of the financial statements does not relieve you of your responsibilities.

Audit Procedures—Internal Control

We will obtain an understanding of the government and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies in

November 2, 2023 Page 3 of 5

internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards.

We have identified the following significant risks of material misstatement as part of our audit planning:

- Improper revenue recognition
- Management override of controls

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of Rangeview Metropolitan District's compliance with the provisions of applicable laws, regulations, contracts, and agreements. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion.

Our audit will be in conformity with the Colorado Local Government Audit Law (C.R.S. 29-1-601, et seq.). The scope of the audit will include the books and records of all the funds of the District. Colorado law requires the following illegal alien provisions:

We certify that we will comply with the provisions of CRS 8-17.5-101 et seq. We shall not knowingly employ or contract with an illegal alien to perform work under this contract or enter into a contract with a subcontractor that fails to certify to Haynie & Company, that the subcontractor shall not knowingly employ or contract with an illegal alien to perform work under this contract. We represent, warrant, and agree that we (i) have verified that we do not employ any illegal aliens, through participation in the E-Verify Program administered by the Social Security Administration and the Department of Homeland Security, or (ii) otherwise will comply with the requirements of CRS 8-17.5-102(2)(b)(I). We will comply with all reasonable requests made in the course of an investigation by the Colorado Department of Labor and Employment. If Haynie & Company fails to comply with any requirement of this provision or CRS 8-17.5-101, et seq., the District may terminate this contract for breach of contract, and Haynie & Company shall be liable for actual and consequential damages to the District and the District shall report such violation to the Colorado Secretary of State, as required by law.

If Haynie & Company obtains actual knowledge that a subcontractor performing work under this contract knowingly employs or contracts with an illegal alien, we will:

- a. Notify the subcontractor and the District within three days that we have actual knowledge that the subcontractor is employing or contracting with an illegal alien; and
- b. Terminate the subcontract with the subcontractor if within three days of receiving the notice required pursuant to sub-paragraph (a) above, the subcontractor does not stop employing or contracting with the illegal alien, unless the subcontractor provides information to establish that the subcontractor has not knowingly employed or contracted with an illegal alien.

Responsibilities of Management for the Financial Statements

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; and for the preparation and fair presentation of the financial statements in conformity with accounting principles generally accepted in the United States of America with the oversight of those charged with governance.

Management is responsible for making drafts of financial statements, all financial records, and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the financial statements and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws and regulations.

You are responsible for the preparation of the supplementary information in conformity with accounting principles generally accepted in the United States of America. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon. Your responsibilities include acknowledging to us in the representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

You agree to assume all management responsibilities for the financial statement preparation services and any other nonattest services we provide; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

Engagement Administration, Fees, and Other

The audit documentation for this engagement is the property of Haynie & Company and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to the State of Colorado or its designee. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Haynie & Company personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the State of Colorado or its designee. The State of Colorado or its designee may intend or decide to distribute the copies or information contained therein to others, including

November 2, 2023 Page 5 of 5

other governmental agencies.

We understand that your employees will prepare all cash or other confirmations we request and will locate any documents selected by us for testing.

We estimate that our fees for these services will be \$6,800 for the audit and \$2,000 for financial statement preparation. The fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs. Our invoices for these fees will be rendered each month as work progresses and are payable upon presentation. In accordance with our firm policies, work may be suspended if your account becomes 60 days or more overdue and will not be resumed until your account is paid in full. Accounts in excess of 30 days will accrue finance charges at 1.5% per month. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination.

Ty Holman is the engagement partner and is responsible for supervising the engagement and signing the report. We expect to begin our audit in May 2024 and to issue our report in June 2024.

Reporting

Sincerely,

We will issue a written report upon completion of our audit of Rangeview Metropolitan District's financial statements. Our report will be addressed to the Board of Directors of Rangeview Metropolitan District. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. Special Districts Master Services Agreement

Rangeview Metro District

8390 E. Crescent Pkwy., Ste. 300, Greenwood Village, CO, 80111

MSA Date: October 15, 2023

This master service agreement ("MSA") documents the terms, objectives, and the nature and limitations of the services CliftonLarsonAllen LLP ("CLA," "we," "us," and "our") will provide for Rangeview Metro District ("you," "your," "board of directors" or "the district"). The terms of this MSA will apply to the initial and each subsequent statement of work ("SOW"), unless the MSA is changed in a communication that you and CLA both sign or is terminated as permitted herein.

Scope of professional services

CLA will provide services as described in one or more SOW that will reference this MSA. The SOW will describe the scope of professional services; the nature, limitations, and responsibilities related to the specific services CLA will provide; and the fees for such services.

If modifications or changes are required during CLA's performance of requested services, or if you request that we perform any additional services, we will provide you with a separate SOW for your signature. Such SOW will advise you of the additional fee and time required for such services to facilitate a clear understanding of the services.

Our services cannot be relied upon to disclose errors, fraud, or noncompliance with laws and regulations. Except as described in the scope of professional services section of this MSA or any applicable SOW, we have no responsibility to identify and communicate deficiencies in your internal control as part of any services.

Board of director responsibilities

The board of directors of the district acknowledge and understand that our role is to provide the services identified in one or more SOWs issued per this MSA and that the board of directors of the district has certain responsibilities that are fundamental to our undertaking to perform the identified services. The district may engage CLA to perform management functions to help the board of directors of the district to meet your responsibilities, but the board of directors of the district acknowledges its role in management of the district.

Responsibilities and limitations related to nonattest services

For all nonattest services we may provide to you, you agree to oversee all management services; evaluate

the adequacy and results of the services; ensure that your data and records are complete; and accept responsibility for the results of the services. CLA and the district agree that the foregoing sentence is not intended and shall not be construed to be a limitation of liability for the benefit of CLA nor an exculpatory clause for the benefit of CLA. CLA is and will remain liable to the district for CLA's negligence and gross negligence in the work that it performs under this MSA or under any SOW.

Fees and terms

See the applicable SOW for the fees for the services.

Work may be suspended if your account becomes 60 days or more overdue and will not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagements will be deemed to have been completed even if we have not completed the services. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures permitted by this MSA through the date of termination.

Payments may be made utilizing checks, Bill.com, your online banking platform, CLA's electronic payment platform, or any other client initiated payment method approved by CLA. CLA's electronic online bill pay platform claconnect.com/billpay accepts credit card and Automated Clearing House (ACH) payments. Instructions for making direct bank to bank wire transfers or ACH payments will be provided upon request.

Other Fees

You also agree to compensate us for any time and expenses, including time and expenses of legal counsel, we may incur in responding to discovery requests or participating as a witness or otherwise in any legal, regulatory, or other proceedings that we are asked to respond to on your behalf.

Finance charges and collection expenses

You agree that if any statement is not paid within 30 days from its billing date, the unpaid balance shall accrue interest at the monthly rate of one percent (1.00%), which is an annual percentage rate of 12%. In the event that any collection action is required to collect unpaid balances due us, reasonable attorney fees and expenses shall be recoverable if and as provided by Colorado law.

Limitation of remedies

Each party agrees that in no event shall the other party be liable for any indirect, special, incidental, consequential, punitive or exemplary damages, or for loss of profits or loss of goodwill, costs, or attorney fees.

The exclusive remedy available to you shall be the right to pursue claims for actual damages related to CLA's acts or omissions in performance of our duties under the terms of this MSA or any SOW issued under this MSA.

Time limitation

The nature of our services makes it difficult, with the passage of time, to gather and present evidence that fully and fairly establishes the facts underlying any dispute that may arise between you and any CLA party. Any legal or equitable action brought by the district to recover on a dispute shall be commenced within the applicable statute of limitations under Colorado state statutes and case law.

Other provisions

Except as expressly permitted by the "Consent" section of this agreement, CLA shall not disclose any confidential, proprietary, or privileged information of the district or you to any person or party, unless the district or you authorizes us to do so, it is published or released by the district, it becomes publicly known or available other than through disclosure by us, or disclosure is required by law. This confidentiality provision does not prohibit us from disclosing your information to one or more of our affiliated companies in order to provide services that you have requested from us or from any such affiliated company. Any such affiliated company shall be subject to the same restrictions on the use and disclosure of your information as apply to us.

Pursuant to authority given by law or regulation, we may be requested to make certain workpapers available to a regulator for its regulatory oversight purposes. We will notify you of any such request, if permitted by law. Access to the requested workpapers will be provided to the regulator under the supervision of CLA personnel and at a location designated by our firm. Furthermore, upon request, we may provide copies of selected workpapers to such regulator. The regulator may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies. You acknowledge and agree that this agreement and the pricing structure and billing rates of CLA are sensitive information which you shall not furnish or otherwise disclose to any third party without the prior written consent of CLA or as required by the Colorado Open Records Act, Section 24-72-200.1 et seq., C.R.S. ("CORA").

Insurance:

CLA shall acquire and maintain in full force and effect, during the entire term of the MSA, the insurance coverages set forth in below in order to protect the district including its board of directors, and CLA from claims that arise out of or result from the operations under this MSA by the CLA or its affiliates or by anyone acting on their behalf or for which they may be liable. Failure to maintain the insurance policies shall be a material breach of this MSA and the district may request certificates of insurance reflecting the coverages outlined below.

- A. Workers' Compensation Insurance
- B. Commercial General Liability Insurance
- C. Commercial Automobile Liability Insurance
- D. General Professional Liability
- E. Network Security (Cyber) Liability Insurance
- F. Excess/Umbrella Liability Coverage

The relationship of CLA with the district shall be solely that of an independent contractor and nothing in this agreement shall be construed to create or imply any relationship of employment, agency, partnership, or any relationship other than an independent contractor. If applicable, accounting standards and procedures will be suggested that are consistent with those normally utilized in a district of your size and nature. Internal controls may be recommended relating to the safeguarding of the district's assets. If fraud is initiated by your employees or other service providers, your insurance is responsible for covering any losses.

The district agrees that CLA will assume fiduciary responsibility on the district's behalf during the course of this agreement only if provided in SOWs issued under this MSA; and the parties, in entering into this MSA, do not intend to create an overarching fiduciary relationship.

CLA may, at times, utilize external web applications to receive and process information from our clients; however, it is not appropriate for you to upload protected health information using such applications. All protected health information contained in a document or file that you plan to transmit to us via a web application must be redacted by you to the maximum extent possible prior to uploading the document or file. In the event that you are unable to remove or obscure all protected health information, please contact us to discuss other potential options for transmitting the document or file.

Annual Appropriation and Budget

The district does not intend hereby to create a multiple-fiscal year direct or indirect debt or other financial obligation whatsoever. CLA expressly understands and agrees that the district's obligations under this MSA shall extend only to monies appropriated for the purposes of this MSA by the board of directors and shall not constitute a mandatory charge, requirement or liability in any ensuing fiscal year beyond the then-current fiscal year. No provision of this MSA shall be construed or interpreted as a delegation of governmental powers by the district, or as creating a multiple-fiscal year direct or indirect debt or other financial obligation whatsoever of the district or statutory debt limitation, including, without limitation, Article X, Section 20 or Article XI, Section 6 of the Constitution of the State of Colorado. No provision of this MSA shall be construed to pledge or to create a lien on any class or source of district funds. The district's obligations under this MSA exist subject to annual budgeting and appropriations, and shall remain subject to the same for the entire term of this MSA.

Governmental Immunity

Nothing in this MSA shall be construed to waive, limit, or otherwise modify, in whole or in part, any governmental immunity that may be available by law to the district, its respective officials, employees, contractors, or agents, or any other person acting on behalf of the district and, in particular, governmental immunity afforded or available to the district pursuant to the Colorado Governmental Immunity Act, §§ 24-10-101, et seq., C.R.S.

No Third-Party Beneficiaries

It is expressly understood and agreed that enforcement of the terms and conditions of this MSA, and all rights of action relating to such enforcement, shall be strictly reserved to the Parties and nothing contained in this MSA shall give or allow any such claim or right of action by any third party. It is the express intention of the Parties that any person other than Parties receiving services or benefits under this MSA shall be deemed to be an incidental beneficiary only.

Personal Identifying Information

During the performance of this MSA, the district may disclose Personal Identifying Information to CLA. "Personal Identifying Information" means a social security number; a personal identification number; a password; a pass code; an official state or government-issued driver's license or identification card number; a government passport number; biometric data, as defined in § 24-73-103(1)(a), C.R.S.; an employer, student, or military identification number; or a financial transaction device, as defined in § 18-5-701(3), C.R.S. In compliance with § 24-73-102, C.R.S., CLA agrees to implement and maintain reasonable security procedures and practices that are: (i) appropriate to the nature of the Personal Identifying Information disclosed to CLA; and (ii) reasonably designed to help protect the Personal Identifying Information from unauthorized access, use, modification, disclosure, or destruction.

CLA agrees to report within twenty-four (24) hours to the district's board of directors any Data Security Incidents that may result in the unauthorized disclosure of Personal Identifying Information. For the purposes of this MSA "Data Security Incident" is defined to mean any actual or reasonably suspected: (a) unauthorized use of, or unauthorized access to, CLA systems; (b) inability to access business and other proprietary information, data, or the CLA systems due to a malicious use, attack, or exploit of such business and other proprietary information or systems; (c) unauthorized access to, theft of, or loss of business and other proprietary information, or of storage devices that could reasonably contain such information; (d) unauthorized use of business and other proprietary information or data for purposes of actual or reasonably suspected theft, fraud, or identity theft; (e) unauthorized disclosure of business and other proprietary information or data.

Consent to use financial information

Annually, we assemble a variety of benchmarking analyses using data obtained through our client engagements. Some of this benchmarking information is published and released publicly. However, the information that we obtain is confidential, as required by the AICPA Code of Professional Conduct. Your acceptance of this MSA will serve as your consent to use of Rangeview Metro District information, excluding Personal Identifying Information, in these cost comparison, performance indicator, and/or benchmarking reports.

Technology

CLA may, at times, use third-party software applications to perform services under this agreement. CLA can provide a copy of the application agreement at your request. You acknowledge the software vendor may have access to your data.

Colorado law requires special districts to maintain websites and further requires that certain documents which may be prepared by CLA to be uploaded to those websites. CLA specifically acknowledges and agrees that the district may upload to its website any documents prepared by CLA for the district and further, that those documents may be used in public meetings hosted by or to which the district is a party.

Counterpart Execution

This MSA may be executed in counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument.

Electronic Signatures

The parties consent to the use of electronic signatures pursuant to the Uniform Electronic Transactions Act, Sections 24-71.3-101, et seq., Colorado Revised Statutes, as may be amended from time to time. The MSA, and any other documents requiring a signature hereunder, may be signed electronically by the parties in a manner acceptable to the district. The parties agree not to deny the legal effect or enforceability of the MSA solely because it is in electronic form or because an electronic record was used in its formation. The parties agree not to object to the admissibility of the MSA in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.

MSA Modification

The MSA may not be amended, altered, or otherwise changed except by a written agreement signed by authorized representatives of the parties.

Termination of MSA

Either party may terminate this MSA at any time by giving 30 days written notice to the other party. In that event, the provisions of this MSA shall continue to apply to all services rendered prior to termination.

Agreement

We appreciate the opportunity to be of service to you and believe this MSA accurately summarizes the significant terms of our relationship. This MSA, along with the applicable SOW(s), constitute the entire agreement regarding services to be performed and supersedes all prior agreements (whether oral or written), understandings, negotiations, and discussions between you and CLA. If you have any questions, please let us know. If you agree with the terms of our relationship as described in this MSA, please sign, date, and return.
